Reorganization Meeting of Smokes Club Makes Change And Promises Full Support

Crossfield and East Community Smokes Fund was the new name chosen for the organization which sends cigarettes to local men who are serving overseas. The name was decided upon at a meeting in the fire hall on Monday night when citizens met to reorganize the club.

Formerly known as the East Community Smokes Fund, it was decided the name was misleading since the fund provided smokes for all boys from this district. (The fund was formed from the membership of the East Community Club and has carried on as such until now).

W. D. "Jim" McCool was elected president of the group and Mrs. W. J. Wood as secretary-treasurer. Mr. McCool was given authority to pick a committee of three others.

It was reported that at present there was a balance on hand of over \$125 but that it should be kept well ahead of the need in case of emergency.

A dance is planned to raise additional funds and will be held in the U.F.A. hall, Crossfield on Boxing Day, December 26, Mr. McCool announces.

The meeting was attended by a representative group of citizens who expressed the feeling that the entire community was in hearty favor of the effort.

The council of the Village of Crossfield has stated its intention to make a donation to the fund and this will probably be passed at the next meeting of the councillors and mayor.

BOARD OF TRADE BALL WILL BE AS GALA AS BEFORE

Plans being laid for the annual New Year's Eve dance of the Crossfield & District Board of Trade offer dance-goers and merry-makers all the attraction of previous years. The affair will be held in the U.F.A. Hall at Crossfield.

PERSONAL PARAGRAPHS

Mrs. W. H. Walker entertained last Tuesday at a miscellaneous shower in honor of Miss Alice Gilson, whose marriage took place in Calgary last Wednesday night. Twelve guests were present.

Joe Ellison spent a few days with his parents, Rev. and Mrs. H. V. Ellison.

The Chronicle reminds its advertisers and readers that because of the holiday falling on Thursday, next week's issue will be off the press early, and as much copy as possible should be in the office on Saturday.

Payment of Village and School Taxes would make a nice gift at Christmas for the community—and the taxpayers.

The Crossfield Mutual Telephone Company reminds shareholders in an advertisement in this issue that a settlement of outstanding accounts must be made by December 20.

See the Christmas stocks of Crossfield stores before you do your shopping in the city.

George Jones is driving a new model car.

There will be a special meeting of the Tuxis Group on Monday, Dec. 22 at 8:15 p.m. All boys who wish to join please attend this meeting.

The group has chosen Cameron Carmichael as delegate to the Calgary Boys' Parliament.

MRS. WICKERSON HEADS U.F.W.A.

At the annual meeting of the Floral Local, U.F.W.A., held on Wednesday, Dec. 10, the following officers were elected for the coming year: President, Mrs. G. Wickerson; vice-president, Mrs. J. Aldred; secretary, Mrs. A. Montgomery; treasurer, Mrs. I. Laut. Mrs. Wickerson was also elected as delegate to the annual convention.

C. P. R. Employees' \$50,000 Buys Two Fighter Planes

Canadian Pacific Railway employees throughout the system have, by donating old gold, treasured keepsakes, and cash, contributed \$50,000 for the purchase of two fighter aircraft for the Royal Canadian Air Force. The cheque was presented at an impressive ceremony held recently in the Windsor Station concourse in Montreal, when representatives of the services, officials of the company, employees, and representatives of the R.C.A.F. joined in a colorful ceremony. Illustration shows C. E. Stockedell, assistant to the vice-president, Western Lines, presenting the cheque to Air Commodore A. de Niverville, Air Officer Commanding No. 3 Training Command, who in turn passed it on to Air Vice-Marshal G. O. Johnson, M.C., deputy chief of the Air Staff. The idea of the Golden Aircraft Fund originated with Miss Gladys Gowland of the company's treasury department, and was carried through to a vigorous finish by an employees' committee.

LES. SPIVEY SPEAKS WELL

Friends of Leslie Spivey, who spoke from England on Sunday, remarked on the clarity of his voice, especially in comparison to other speakers, and on the sentiment of his brief words.

TALK UNION IN ONTARIO

Rumor Hepburn Offering Conservatives 3 Cabinet Posts

TORONTO, Dec. 18.—While reports have been current around the Ontario legislative buildings that the Conservative opposition would sponsor a move to extend the legislature term to avert a provincial election next year, Col. George A. Drew, Conservative leader, said today no arrangement has been made for him to take this action.

Col. Drew commented "naturally, before anything of this nature would be contemplated, I would discuss it with members of the party."

He added: "Elections are an unjustifiable expense and create unnecessary public disturbance at a time when our effort should be devoted to winning the war."

There have also been reports the opposition, if negotiations were concluded with the Hepburn government, might agree to a coalition administration for duration of the war. These reports said the Conservatives might agree to a coalition with three of their members in the cabinet.

Col. Drew made no comment on this possibility. Questioned about a report he might be drafted by Ottawa for a wartime post, the Conservative leader replied "I know nothing about it."

Tom Mair New Trade Board Head

T. M. Mair, succeeding J. Hesketh, was elected president of Crossfield & District Board of Trade at the annual meeting on Thursday night, and H. B. Moon was elected first vice-president. Chas. Fox was chosen as second vice-president while F. Collicutt and F. Laut, M.L.A., were chosen as honorary president and honorary vice-president respectively. T. Tredaway was re-elected secretary-treasurer.

The meeting, held in the parlor of the Crossfield United church, elected the following committees:

Public Affairs: Wm. Laut, C. H. McMillan, E. Meyers; Agriculture: F. Laut, W. W. Stafford, J. G. Harrison, O. E. Jones, W. J. Murdoch; Merchants Committee: A. E. Edlund, T. Tredaway, H. R. Ballam; Entertainment: H. A. Bannister, M. N. Jones, A. M. Cumming; Sports: H. Ballam, G. Murdoch, G. Ainscough, J. Hesketh, W. Hoover.

Attended by 25 interested citizens, including all members of the Village Council, the meeting heard an informative address by Mr. Manley Edwards, M.P. regarding Canada's war effort.

It is understood that the next meeting, which will probably plan the year's activity, will be held early in the new year.

MADDEN

Mr. and Mrs. Fred Johnson and son Laurence of Walla Walla, Wash., left on Dec. 9 for their home after spending several days visiting Mrs. Johnson's father, Mr. H. J. Stone.

The Stone family has the sympathy of the whole district in the bereavement of their father.

Mrs. E. Rach recently spent a few days in Calgary.

Mrs. Frank Murdoch visited her sister, Mrs. F. Byrt, recently while their husbands were west hunting.

Madden Ladies' Club held its meeting last Wednesday at the home of Mrs. Wm. Tidball.

Mr. Harold Baxter and Mr. J. Shepherd were weekend visitors at Olds.

Mr. and Mrs. Fred Ingham and Mr. and Mrs. L. Stone spent Monday in Calgary.

Mrs. J. Shannon and small daughter, Beverly, are visiting at the home of Mrs. Shannon's parents, Mr. and Mrs. J. Banta.

CANADA MUST
PREPARE NOW!

The federal government has finally taken a step which rightly should have been made at the beginning of the war. But selective service is not enough! We hope it won't take as long to take the other necessary steps as it did this one.

Canada's all-out effort to win the war will have to go much further than complete mobilization of man- and women-power. It must go much further than increasing her assistance to the brave people of England. Now—and not later—is the time for Canada herself to prepare for any attempt of the Axis coyotes to land on our shores. The people of Canada must have protection against probable air raids.

It will, cost a lot, yes, but it would be far costlier if we wait until it happens. Will Mr. King and his colleagues be as timid in taking this step as they have been in taking others?

It would be nice if the village, would replace the colored lights that are missing from strings decorating the streets. Since there is no charge for the power consumed by these lights, the only cost would be in the replacement—and that would be small.

TO THE WOMEN OF CANADA

Here is One Big War Job
which You Alone Can Do

"Ceiling Prices" Must Be Maintained

This is an appeal to the women of Canada. There is one vital part of our war effort which depends on you.

Your government has placed a "ceiling" on retail prices. You are the buyers of four out of every five dollars worth of all the goods sold in this country. Your whole-hearted help is needed in this price control plan. If every woman does her part, it cannot fail.

Its success will be a big step on the road to victory. Its failure would be a serious blow to our war effort. You can tip the balance towards success.

Will you, then, undertake to make the successful control of commodity prices an established fact? We know you will. And we know that when you undertake this task it is as good as done.

This is the work you are asked to do

1. Make a list of commodities

We want you to sit down today and make a list of the things you buy from week to week and from month to month. Write down food and clothing items in particular, because these account for the biggest share of your expenditures. But we want you to list those articles you buy at the drug store, hardware store, and other stores, too.

2. Make notes about quality

Now go over your list again and mark down the necessary details about quality, type, grade and size. Then when making future purchases you will be able to compare values as well as prices.

3. Write down prices

After each item we want you to write down, if you can, the highest price charged at your store during the period September 15 to October 11, 1941. If you cannot remember the prices charged during that period, fill in your list with today's prices. Our survey shows that retailers, with few exceptions, are keeping prices well within the "ceiling" levels. As exceptions are being discovered they are being quickly brought into line.

4. Keep this list—use it when you buy!

Make up this price list neatly and accurately. You will not be able to get all the items at once. Keep adding to your list from day to day. Make it your permanent check list—your personal safeguard against any further rise in prices.

Prices May Be Different in Different Stores

There has always been a difference in prices in different stores—even stores in the same locality. This may depend on the kind of service the store gives, or the way it operates. Some stores, for instance, have delivery service, give credit, or provide other extra services.

Under the new Price Ceiling Order there will still be differences in prices at different stores. The new price regulations will not do away with competition. The highest prices in any particular store must not be higher than the highest prices in force in that store during the period September 15 to October 11. They may be a little lower or a little higher than the prices in other stores.

The prices you will mark down will be the highest prices charged at the store where you shop.

A Few Points to Remember

1. The ceiling price is not necessarily the price you paid. It is the highest price at which the store sold the particular item between September 15 and October 11.

2. A merchant may reduce his prices for sales or other reasons—he may also raise them provided they do not go above the ceiling price.

3. Variations in seasonal prices on fresh fruits and vegetables are permitted. Rulings on seasonal markets will be announced from time to time by the Wartime Prices and Trade Board in newspapers and over the radio.

4. Fill out your price list without bothering your merchant. In many cases he is making a financial sacrifice to sell under the price ceiling. The war has left him short-staffed and the Christmas rush is on.

Items most frequently bought

This is not intended as a complete list. It is simply offered as a guide. Add to it the other items you buy or expect to buy.

Item	Description (Size, Quality, etc.)	Store	Price	Item	Description (Size, Quality, etc.)	Store	Price
FOOD				CLOTHING (Men's, Women's, Children's)			
Milk				Coats

Why you must do your part

To ensure the success of this price control plan, every woman in Canada should make a list. Retailers are showing a splendid spirit of co-operation. The great majority of them are determined to make this plan work, but if you do not co-operate the whole plan might fail—prices might start to skyrocket. So keep your list handy. Check the prices you pay against it.

If a price seems higher than the ceiling, ask your merchant about it. If further information is necessary, report the full details in writing. Address your letter to the Prices and Supply Representative, Wartime Prices and Trade Board, at any of the following: Vancouver, Edmonton, Regina, Winnipeg, North Bay, London, Toronto, Rockville, Montreal, Quebec City, Saint John, Halifax, Charlottetown.

WHEAT EXPORT AGAIN HIGHER

For Week Ended Dec.
12 Figure is 4,183-
113 Bushels

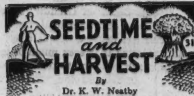

OTTAWA, Dec. 18.—The Dominion Bureau of Statistics reported today overseas export clearance of Canadian wheat totalled 4,183,113 bushels in the week ended Dec. 12 compared with 1,460,527 the corresponding week last year. Exports in the 19 weeks ended Dec. 12 totalled 54,081,999 bushels compared with 34,927,663 in the same period last year.

Wheat receipts, in the prairie provinces in the week ended Dec. 12 totalled 6,986,184 bushels compared with 7,148,336 the previous week and 9,693,336 the same week last year. Receipts by provinces with figures for the same week last year: in brackets; Manitoba 1,629,948 (1,811,339); Saskatchewan 2,720,979 (4,715,412); Alberta 2,647,258 (2,823,585).

Marketings for the 19 weeks ended Dec. 12 totalled 139,502,228 bushels compared with 283,726,814 in the same period last year. Receipts by provinces: Manitoba 35,217,376 (35,767,641); Saskatchewan 71,696,459 (144,478,925); Alberta 39,988,191 (83,480,248).

The viable supply of Canadian wheat in the week ended Dec. 12 totalled 503,632,908 bushels compared with 502,384,275 the previous week and 478,205,223 the corresponding week last year.

Wheat stored in Canadian elevators totalled 469,923,043 bushels and wheat in the United States totalled 33,709,865.

SEED SUPPLIES

It may seem a trifle early to begin thinking about seed, but it may soon be too late to secure good seed of coarse grains and forage crops. The farmer who waits until the end of March to discover that he needs 80 or 100 bushels of seed barley will probably find it necessary to use third-rate stuff.

The demand for feed grains this winter in eastern, as well as western, Canada, combined with the shortage of elevator storage space, is resulting in a rapid turnover. Then, also, harvesting conditions were so bad in many districts, resulting in large quantities of damp and sprouted grain. Thus local seed shortages will be numerous.

The Agricultural Department of The North-West Line Elevator Association does not hesitate to advise a germination test for all oats and barley seed this year. Samples of wheat, oats, barley, flax or rye need only be delivered to a grain buyer of any line elevator company associated with this Department in order to obtain a reliable test.

Any farmer who knows now that he will require seed oats or barley next spring, should take immediate steps to secure the required amount. The situation respecting supplies of grass and clover seed may be similar, and delay in ordering may lead to disappointment in the spring.

Of course, many farmers will be unable to decide upon the question of coarse grain and forage crop seed requirements until the Dominion Government announces a wheat policy for 1942.

Rosebud Council Notes

Following are items from the business of the council meeting of Rosebud Municipal District held at Carstairs on Saturday:

Tax consolidation was granted to four applicants.

Returning Officers

Ed. Kirk, Carstairs, was named returning officer for 1942, if an election is necessary, and R. A. Shaw and W. C. Fredell were named deputy returning officers for Divs. 4 and 5 respectively.

Dr. R. McPherson, director of the Rosebud Health Unit, was invited to tell the annual meeting of the work of his unit.

Reeve A. S. Gough was chosen delegate to attend the annual meeting of the Olds School Division next year.

Coun. A. M. Wygle gave a report on the convention of Alberta Municipalities held recently in Edmonton at which he and Coun. R. D. Kimmel were delegates from Rosebud M.D.

Annual reports were given to the meeting of the Olds School Division and the Wheatland School Division.

PEACE RIVER CROPS POOR

Experience Worst Harvesting in Country's History

Loss "in the millions" to farmers in the Peace River area is expected this year as a result of the worst harvesting conditions in the country's history. L. D. Nesbitt, publicity director of the Alberta Wheat Pool says.

An average yield of 21 bushels per acre had been estimated during the summer by the wheat pool as an average for the 270,000-acre wheat area. Mr. Nesbitt said. But rainy weather forced farmers to leave 15 percent of their wheat and 20 percent of their oats uncut.

George Chard of Grande Prairie, wheat pool superintendent for the Peace River district, was in Calgary and reported that even much of the crop which was cut is still stockpiled in the fields and the country is covered with a foot of snow.

Mr. Chard said there were only three days during September on which rain did not fall and the area had its first snowfall Aug. 28.

Until then the prospects had been for the best harvest in the country's history, but persistent wet weather stopped everything.

Virtually no dry wheat had been threshed and much was lost in harvesting operations.

MAY SUBSIDIZE DAIRY FARMS

OTTAWA, Dec. 16.—A plan to subsidize dairy farmers to keep retail milk prices at present levels and allow higher returns for the producer is understood to be in process of formation by the dairy products branch of the Wartime Prices and Trade Board.

Board officials said they had nothing to announce on the plan but agreed some such action might be necessary to maintain the price ceiling and protect the producer.

Canadian farmers supplying milk to urban centres are said to have requested higher prices to meet rising costs of production.
